1. **DEFINITIONS.** As used in these Terms and Conditions: "Buyer" means Meggitt Defense Systems, Inc.; "Purchasing Representative" means Buyer's authorized representative whose name appears on the face of an Order; "Order" means this purchase order or any written order issued by Buyer which incorporates these terms and conditions; "Seller" means the person(s) or company to whom an Order is issued; "FAR" means the Federal Acquisition Regulations (Title 48 CFR Chapter 1) and "DFARS" means the Department of Defense FAR Supplement (Title 48 CFR Chapter 2) in effect on the date of this Order unless a revision date is specified. "Item" means goods, parts, components, supplies, or items including, without limitation, those part numbers, model numbers, and/or descriptions set forth on the face of this Order, and shall also include computer software or hardware (including any software, firmware or other hardwired logic embedded within the hardware) delivered or to be delivered under this Order.
2. **CONTENTS AND ORDER OF PRECEDENCE.** This Order integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the Parties and shall govern the performance and/or delivery of Items and/or Services provided pursuant to the Order. Seller expressly represents that in accepting this Order it does not rely and has not relied upon any written or oral representation, warranty, or statement not set forth in the Order and that it will not have any right or remedy arising out of any representation, warranty, or other statement not expressly set out in this Order. The provisions of this Order shall be construed and interpreted as consistent whenever possible. Any conflicts in this Order shall be resolved by giving precedence in the following order:
 - a. the Purchase Order;
 - b. these Terms and Conditions (which are incorporated by reference in any Purchase Order issued hereunder);
 - c. the Statement of Work; and
 - d. Specifications, drawings or other requirements attached hereto or incorporated by reference.

In the event of a conflict in the Articles contained in Section 1 and applicable clauses contained in Section 2, the applicable clauses in Section 2 shall control to the extent necessary for Buyer to comply with Buyer's Government Contract. No other documents supersede FAR and DFARS clauses applicable to Buyer's Government Contract when the prime contract is with the Government.

3. **ACCEPTANCE AND AGREEMENT.** These terms and conditions apply to, and are agreed to be incorporated in, any Order issued by Buyer to Seller. An Order becomes a binding contract either upon acknowledgement in writing or commencement of performance. Any additional or different terms appearing in Seller's acceptance are hereby expressly rejected.
4. **DPAS RATED ORDER.**
 - a. If so identified, this Contract is a "rated order" certified for national defense use, emergency preparedness, and energy program use, and the SELLER shall follow all the requirements of the Defense Priorities and Allocation System (DPAS) Regulation (15 C.F.R. Part 700). Unless an exemption applies.(Reference FAR 11.600 Priorities and Allocations).

b. IAW 15 CFR § 700.13, seller must accept or reject a rated order in writing (hard copy), or in electronic format, within fifteen (15) working days after receipt of a DO rated order and within ten (10) working days after receipt of a DX rated order. If the order is rejected, the Seller must give reasons in writing or electronically for the rejection.

5. **DELIVERY.** Unless otherwise stated on the face of an Order, delivery shall be to Buyer's facility (F.O.B Destination).

a. Time is of the essence in the performance of an Order.

b. Delivery shall be in strict accordance with the schedule and quantity specified in an Order. ***Seller is on notice that delays in delivery may result in damages assessments including price reduction under Buyer's prime contracts; Seller shall be liable for any such assessments or price reductions.*** Seller shall not ship to arrive earlier than 7 days in advance of the specified schedule unless authorized in writing. Buyer may return goods at Seller's expense or payment may be deferred until the date payment would become due according to the specified schedule. Per DFAR 252.244-7001, ensure that all applicable purchase orders and subcontracts contain all flow down clauses, as required by the FARS and DFARS, including terms and conditions and any other clauses needed to carry out the requirements of the prime contract.

c. Seller at the request of Buyer, shall provide a written explanation for the root cause of the delay, Seller's corrective action plan to address the late deliveries and assurances that Seller will make all future deliveries in accordance with the Order requirements and schedule.

d. If it appears Seller will not meet schedule or if Seller's deliveries fail to meet the schedule, then in addition to any other right or remedy that Buyer has under law or this Order, Buyer may require Seller to ship via expedited means at Seller's expense.

e. If the delivery delay was as a result of any action taken on the part of Buyer, Seller shall notify Buyer in writing at the time the delay occurs and request that Buyer waive liquidated damages provided herein.

f. Buyer reserves the right to assess liquidated damages for any deliveries more than five (5) working days beyond the contracted delivery date. Penalties will consist of 1.0 percent of the value of the late item(s) per working day (Monday through Friday) late, calculated beginning the sixth day after the due date, and accruing daily each working day thereafter up to a maximum of 15.0 percent of the value of the delinquent item(s). The liquidated damages amount shall be subtracted from the line item value.

g. Buyer's right hereunder to recover liquidated damages for Seller's delayed performance is not an exclusive remedy for delay and shall be in addition to all other rights and remedies that Buyer has under this Order and at law and equity.

6. **QUALITY CONTROL.** Seller and its suppliers shall establish and maintain a quality management, inspection and counterfeit parts program acceptable to Buyer and consistent with current industry standards (e.g., ISO9001, AS9100, AS9115, AS9120, AS5553, AS6496, AS6174, etc.) unless a specific system of quality control or other standard of quality is specified in an Order or document incorporated by reference. Seller shall permit Buyer to review procedures, practices, processes and related documents to determine such acceptability. Seller shall have a continuing obligation to promptly notify Buyer of any violation or deviation from Seller's approved inspection/quality control system and to advise Buyer of the quantity and specific identity of any Items or Services provided to Buyer during the period of any such violation or deviation.

7. **INSPECTION AND ACCEPTANCE.** All materials, articles, work or services performed by Seller shall be made available for inspection or test at Seller's plant or that of Seller's subcontractor by authorized representatives of Buyer or Buyer's customer, or both. No inspection or test prior to final inspection and acceptance shall relieve Seller

from responsibility for defects or other failure to meet the requirements of an Order. All materials, articles, work or services shall be subject to final inspection and acceptance by Buyer after delivery to destination, notwithstanding prior payment. Acceptance shall not be final with respect to latent defects, fraud, or such gross mistakes as amount to fraud, or as to Seller's warranty obligations.

8. **PACKING AND SHIPPING.** Seller shall pack, mark and ship all goods in accordance with specific requirements of an Order, and in a manner which complies with transportation regulations and good commercial practice for protection and shipment of goods. No separate or additional charge is payable by Buyer for containers or any other aspect of packing and shipping to the F.O.B. Point unless specifically stated in an Order. Seller shall mark the number of an Order on each container and include a packing slip with each shipment, listing Order and line item numbers.

9. **PRODUCT SAFETY.** The supplier/organization shall plan, implement, and control the processes needed to assure product safety during the entire product life cycle, as appropriate to the organization and to the product.

10. **FORCE MAJEURE.** If Seller's delay is due to causes beyond Seller's control and without Seller's fault or negligence, and if Seller has exercised due diligence by promptly notifying Buyer in writing of the conditions which will result in delay, then Seller shall not be liable for delay. If Seller's delay is caused by the default of a subcontractor or supplier, and such default arises out of causes beyond the control of both Seller and its subcontractor or supplier, and without the fault or negligence of either of them, and if the supplies or services to be furnished by Seller's subcontractor or supplier are not obtainable from another source in sufficient time to permit Seller to meet the required schedule, Seller shall have no liability for delay. Notification of delay pursuant to this clause shall not constitute a waiver of any of Seller's other obligations nor a waiver by Buyer of any right under an Order.

11. **INVOICES AND PAYMENT.** Unless otherwise provided, terms of payment shall be net sixty (60) days upon Buyer's receipt of a proper invoice. Seller will be paid the price stated in an Order for supplies delivered and accepted, or services rendered and accepted, less deductions if any as provided by the Order. Cash discounts are determined by receipt date of supplies or services, or of a proper invoice, whichever is later. Payment is subject to setoff of any claim of Buyer against Seller, arising from this or any other transaction. Upon Buyer's request, Seller shall provide a reconciliation of all invoices submitted to Buyer.

12. **TAXES.** Unless otherwise specified in writing on the face of an Order, the prices stated include all applicable state, federal and local taxes, duties, tariffs, transportation taxes, or other similar taxes or fees which are required to be imposed upon the Items or Services ordered hereunder by Buyer or Buyer's customer, unless Seller obtains any applicable exemptions. Seller represents that its price does not include any taxes, impositions, charges or exactions for which it is eligible to obtain and/or has obtained a valid exemption certificate or other evidence of exemption. Any taxes included in this Order shall be itemized separately in Seller's invoice.

13. CHANGES

a. This Order may not be changed except by written modification signed by Buyer's Purchasing Representative. Buyer may at any time by written notice and without notice to sureties, make changes in any one or more of the following: (i) drawings, designs, or specifications; (ii) method of packing or shipment; (iii) place of inspection, acceptance or point of delivery; (iv) delivery schedule.

b. Should any such change cause an increase or decrease in the cost of or time required for performance of an Order, an equitable adjustment shall be negotiated and the Order shall be modified accordingly. If no agreement is reached, the equitable adjustment due shall be resolved pursuant to the "Disputes" clause below. Any claim by Seller for such adjustment shall be submitted to Buyer in writing within 15 days of Buyer's written notice of such change. If not submitted within 15 days, the claim is waived. Seller must proceed without delay in performing the Order as changed, even if a "Dispute" is pending and not resolved.

14. **BUYER'S PROPERTY.** All tools, dies, jigs, patterns, equipment, material, industrial property or other items purchased, furnished, charged to or paid for by Buyer, and any replacement thereof, shall remain the property of Buyer. If any designs, sketches, drawings, blueprints, patterns, dies, molds, models, tools, gauges, equipment or special appliances should be made or procured by Seller especially for producing the Items covered by this Order, then immediately upon manufacture or procurement they shall become the property of Buyer or Buyer's customer. Such property shall be plainly marked to evidence that it is Buyer's property and shall be stored safely apart from Seller's other property. Seller shall not substitute other property for Buyer's property and shall not use such property except to fill Buyer's orders. Seller shall hold such property at its own risk and upon Buyer's written request shall return the property to Buyer at its expense in the same condition as originally received, reasonable wear and tear excepted.

15. **TITLE AND RISK OF LOSS.** Unless otherwise specified in the Order, Seller shall bear the risk of loss and damage to all Items to be supplied hereunder until final acceptance by Buyer, Buyer's Customer, or the United States Government. Buyer shall have equitable title to all Items for which interim, partial or progress payments have been furnished to Seller.

16. **WARRANTY.** Seller warrants that all materials, articles, work and services furnished will be free from defects in material and workmanship, will conform to all applicable specifications, drawings, samples and descriptions, that goods of Seller's design or selection will be free from design defects, and that the goods will be fit for their intended use. Seller warrants that all items or components supplied under an Order shall be new, that is, not used or reconditioned. All warranties and guarantees shall run to Buyer and Buyer's customers, for a period of 18 months after final acceptance by Buyer, or 12 months after the item in which Seller's goods are incorporated is accepted by Buyer's customer, whichever is later. Seller agrees to repair or replace at its cost any item which does not conform to this warranty, as Buyer directs. These warranties are in addition to any standard warranty or guarantee of Seller, and any warranty and related remedy otherwise created by operation of law.

17. **TERMINATION/CANCELLATION/STOP WORK**

a. Termination for Convenience. The performance of work under an Order may be terminated in whole or in part by Buyer for Buyer's convenience, at any time and without regard to whether Buyer's contract with its customer may have been terminated. The rights, duties and obligations of the parties including compensation to be paid to Seller shall be in accordance with FAR Subparts 49.1 and 49.2 as if Buyer was in the position of the Government, Buyer's Purchasing Representative was the Termination Contracting Officer, and Seller was in the position of Contractor, as those terms are used in those FAR subparts. Seller shall immediately stop work and limit costs incurred on the terminated work. Seller's settlement proposal shall be submitted to Buyer's Representative within thirty (30) days, unless otherwise extended in writing, with full supporting documentation for all costs claimed. Upon termination for convenience, Buyer, after deducting any amount(s) previously paid, shall reimburse Seller for the actual, reasonable, substantiated, and allowable costs with the total amount to be paid by the Buyer, being determined by Buyer, and not to exceed the value of the Agreement. Payment for completed Items delivered to and accepted by Buyer shall be at the price set out in the Order.

b. Termination for Default. Buyer may, by written notice to Seller, terminate this Order in whole or in part for Default if Seller fails to (i) deliver supplies or perform services within the time specified, (ii) make progress so as to endanger performance of an Order and fails, within 10 days of written notice of such failure, to cure that failure or otherwise provide adequate assurance of performance, or to (iii) perform any other provision of this Order. If Buyer terminates in whole or in part for default, Buyer may acquire under terms that Buyer considers appropriate materials or services similar to those terminated. Seller shall be liable to Buyer for any excess costs for reprocurement of supplies or services. At the time of termination or thereafter, Buyer may at its option also require Seller to transfer title and deliver to Buyer any completed supplies, partially completed supplies, or materials, parts, tools, dies, jigs, fixtures and the like that Seller has specifically produced or acquired for the terminated portion of this Order. Subject to Buyer's right of setoff for excess re-procurement costs or other damages, Buyer shall pay Seller the contract price

for completed supplies delivered and accepted by Buyer. Buyer and Seller shall agree on the amount of payment for partially completed supplies, or materials delivered to Buyer at Buyer's specific direction. Buyer's rights and remedies in this clause are in addition to any other rights and remedies provided by law or under this Order. In the event it is later determined by a court or other tribunal with jurisdiction that Seller was not in default, the termination shall be deemed to have been for the convenience of Buyer and Seller's exclusive remedy will be for payment as provided in subparagraph a. above.

c. Stop Work. By written notice Buyer may require Seller to stop work for a period not to exceed 90 days in accordance with the clause at FAR 52.242-15 "Stop Work Order (Aug 1989)", incorporated by reference and altered to insert "Buyer" and "Buyer's Purchasing Representative" for "Government" and "Contracting Officer", and to substitute "Seller" for "Contractor."

Seller shall not settle any such suit or claim without Buyer's prior written approval. Seller agrees to pay or reimburse all costs that may be incurred by Buyer in enforcing this indemnity, including attorneys' fees.

b. Seller shall reimburse Buyer for any loss or damage in the event that Buyer's customer makes a determination that Seller failed to furnish Buyer with any certified cost or pricing data or failed to provide the current, accurate and complete version of such data; failed to provide or comply with certifications as required by the Section 2 Flow-down Clause; or failed to take any such other action required by the Flow-down Clauses. g. Buyer and Seller agree to notify each other in writing as soon as practicable of all claims. Seller, if required to indemnify Buyer under this Section, shall promptly assume and diligently conduct the entire defense of such claim at its own expense. Buyer shall have the right to reject any settlement that would negatively impact Buyer as determined solely by Buyer. Buyer shall, upon Seller's reasonable request and at Seller's expense, use commercially reasonable efforts to furnish all information and assistance reasonably available to Buyer and to cooperate to assist in the defense and/or settlement of any such claim.

19. **DISPUTES.** If Buyer's contract with its customer contains a "Disputes" clause or procedure, any claim or demand by Seller which derives or results in any way from an act or omission of Buyer's customer which is not resolved by agreement may, at Buyer's election, be submitted for resolution pursuant to the customer contract "Disputes" clause. In that event, Seller's sole remedy will be the "Disputes" procedure in Buyer's contract with its customer, and Seller's recovery is limited to the amount if any recovered from Buyer's customer on Seller's behalf. Pending resolution, Seller shall not take any another action, including but not limited to pursuit of independent litigation with respect to any claim or demand, pending final determination under Buyer's prime contract "Disputes" provision. Seller shall not be entitled to receive from Buyer any amount greater than Buyer actually receives from Buyer's customer on account of Seller's claim, less any markups and costs incurred by Buyer. All claims and disputes between Buyer and Seller not originating with acts or omissions of Buyer's customer and not settled by mutual agreement, shall be decided by arbitration conducted in accordance with California Code of Civil Procedure Part III, Title 9 (without discovery). The arbitration proceeding shall be conducted in Orange County, California by a single arbitrator agreed upon by the parties or appointed pursuant to California Code of Civil Procedure Section 1281.6.
